DATE MAILED:

EXAMINER INTERVIEW SUMMARY RECORD

All participants (applicant, applicant's representative, PTO personnel):

(1) MR. WILLIAM D. MILLER (3)

(2) MS. KATHERINE M. DEVEREUX SMITH (4)

Date of interview 8/21/03

Type: ☒ Telephonic ☐ Personal (copy is given to ☐ applicant ☐ applicant's representative).

Exhibit shown or demonstration conducted: ☐ Yes ☐ No. If yes, brief description:

Agreement ☐ was reached with respect to some or all of the claims in question. ☒ was not reached.

Claims discussed: 13

Identification of prior art discussed: LARSON ('388)

Description of the general nature of what was agreed to if an agreement was reached, or any other comments: DURING THE TELEPHONIC INTERVIEW WITH MR. MILLER & MS. SMITH, THE EXAMINER DISCUSSED IN DETAIL THE REFERENCE TO LARSON AND THE LIMITATIONS OF CLAIM 13. MR. MILLER & MS. SMITH ARGUED THAT THE REFERENCE TO LARSON DOES NOT TEACH OR FAIRLY SUGGEST A LIGHT CAVITY HAVING A FIRST DEGREE OF DEPOLARIZATION, AND A DIFFUSELY REFLECTING POLARIZER HAVING A SECOND DEGREE OF DEPOLARIZATION GREATER THAN THE FIRST DEGREE OF DEPOLARIZATION. THE EXAMINER IS OF THE OPINION THAT CLAIM 13 RELATES THAT IT IS THE INCIDENT LIGHT THAT HAS THE FIRST DEGREE OF DEPOLARIZATION, NOT THE LIGHT CAVITY OR STRUCTURE THEREOF, AND THAT THE PSE ELEMENT (109) OF LARSON ITSELF INHERENTLY HAS A SECOND DEGREE OF DEPOLARIZATION GREATER THAN THE FIRST DEGREE OF DEPOLARIZATION DUE TO THE FACT THAT A PORTION OF THE INCIDENT LIGHT RAYS ARE RANDOMLY DIFFUSE, WHICH DOES NOT DISTINGUISH OVER THE REFERENCE TO LARSON.

(A fuller description, if necessary, and a copy of the amendments, if available, which the examiner agreed would render the claims allowable must be attached. Also, where no copy of the amendments which would render the claims allowable is available, a summary thereof must be attached.)

☒ 1. It is not necessary for applicant to provide a separate record of the substance of the interview.

Unless the paragraph below has been checked to indicate to the contrary, A FORMAL WRITTEN RESPONSE TO THE LAST OFFICE ACTION IS NOT WAIVED AND MUST INCLUDE THE SUBSTANCE OF THE INTERVIEW (e.g., items 1-7 on the reverse side of this form). If a response to the last Office action has already been filed, then applicant is given one month from this interview date to provide a statement of the substance of the interview.

☐ 2. Since the examiner's interview summary above (including any attachments) reflects a complete response to each of the objections, rejections and requirements that may be present in the last Office action, and since the claims are now allowable, this completed form is considered to fulfill the response requirements of the last Office action. Applicant is not relieved from providing a separate record of the substance of the interview unless box 1 above is also checked.
